“GROWING IN CHRIST, LOVING LIKE CHRIST,  
SERVING WITH CHRIST”

## SEPTEMBER 2020 NEWSLETTER

### A Word from Pastor

To the Shiloh Family,

Grace and peace to you from God our Father and the Lord Jesus Christ. 2020 has been an unanticipated daunting and challenging year. We have endured a world wide health pandemic that has shut down the country and the way we do church since March. During this time, many have suffered through death, job loss, financial and economic impact, and unprecedented and unwanted periods of isolation from our family, friends, and associates who live outside the comfortable confines of our homes.

Many looked at this season as a negative experience and chalked it up as a loss. However, Shiloh has been challenged to find the silver lining, looking at this season as an opportunity to embrace the winds of change blowing into our lives. Those who took on this challenge no longer ask the question, “How long...” before we can return to life as usual but understand things will never be the same again.

This revelation has lead many to embrace the concept behind Project Reimagine: God has granted us the authority to reimagine who we can be and what we can accomplish. What an awesome privilege to reimagine what our lives can be. As God is recreating and reshaping this world, and raising the standard of what we consider to be normal, we have been given the license to establish a new norm for our lives. Project Reimagine is greater than reexamining what it means to do church in both this present context and the future; Project Reimagine is about those of us who are the Church moving beyond our past that seeks to hold our future hostage. In other words, I don't have to be who I have always been, doing the things I have always done but can truly be a new creation in Christ Jesus, doing greater works for the Kingdom than I previously thought I could accomplish.

Shiloh, God has kept us, protected us, and provided for us. Let us not waste this opportunity that has been afforded to us by focusing on what was lost or changed in this season. Instead, let us be good stewards of this space by reimagining our lives, our church, and our community as something greater than what we have previously experienced and doing the hard work required to embrace that change. For eyes have not seen, nor ear heard, neither has it entered into the hearts and minds of people the things that God has prepared for those who love Him (ref. 1 Corinthians 1:9).

God Bless you and I love you all dearly.

It is time to reimagine,

Pastor William I. Ashford, III
